FEATURES & BENEFITS

UNMATCHED QUALITY

Premium construction and top-of-the-line replaceable parts guarantee lasting reliability through even your most challenging jobs.

SERVICEABLE

Service parts and support are available to make your investment last and survive normal wear and tear.

PRECISION SPRAY

Best-in-class wand and pump mean consistent performance, accurate spray, and less waste.

ACCESSORIES FOR JOB ACCURACY

Adjustable nozzles, attachments, and straws are available to make sure you can get the job done right.

DESIGNED FOR YEARS OF SERVICE

The stainless steel tank is designed to withstand the abuse of strong chemicals and tough job demands.

PREMIUM HOSE ASSEMBLY

The rubber hose and spring strain relief are built to ensure durability of frequently strained parts while being easy to use.

INDUSTRIES

Disinfection
Pest Control
Industrial Concrete

COMPATIBILITY

Water-Based Formulations
